KLiNGEL shoe brand Vamos to come under the umbrella of the Weltbild D2C Group

21 December 2023 · Ulm, Germany · Business
Area: Restructuring

The Weltbild D2C Group is to acquire the KLiNGEL brand Vamos effective 31 January 2024. The intention behind this acquisition in the area of healthy footwear is to further expand the product offering under Weltbild's Orbisana brand. This underscores the multichannel retailer's increased commitment to the healthcare segment. Back in July, the group already purchased Groundies, a brand of barefoot shoes.

For KLiNGEL, this represents another successful brand transaction within its ongoing debtor-in-possession proceedings. KLiNGEL's creditors' committee has unanimously approved the transaction.

Specialist in healthy footwear

The KLiNGEL Group's Vamos brand is a brand and width specialist that offers its customers healthy footwear in a range of designs. These include extra-comfortable shoes for women and men that are specifically designed for an individual fit. Care products for shoes, bags, purses, belts and gloves are also available under the brand, which has belonged to the KLiNGEL Group for more than 35 years and is sold in Germany, Switzerland, the Netherlands and Austria.
