stores and international corporations.

The company filed for debtor-in-possession insolvency proceedings in November 2025 due to a liquidity shortage and has continued to operate ever since. General agent Mr Michael Wirth from law firm Dr. Schmitt & Kollegen has been working with Mr Philip Zent and Mr Sebastian Zentgraf to support management during the proceedings. Mr Joachim Exner from law firm Dr. Beck & Partner has been overseeing the proceedings as insolvency monitor in the interests of the creditors.

PLUTA Management GmbH was exclusively mandated to conduct the M&A process for MAAS+ROOS SIGNAGE GmbH, and coordinated the process from the search for an investor to the closing of the transaction. The team was comprised of managing director Mr Marcus Katholing and project manager Mr Luca Reifenberg as well as Mr Aron Schuler and Mr Max Mayer.

Mr Marcus Katholing said, "We are pleased that around 140 employees will be kept on under the transaction. This means that almost all of the jobs have been saved. The company has a strong market position and has been working with well-known clients for many years. This provided a strong starting point and played an important role in the successful completion of the M&A process."

The investor will maintain the MAAS+ROOS brand going forward, and the company will expand its cooperation with Richnerstutz AG, a Swiss-based leader in the implementation of indoor and outdoor advertising and communication activities.
